Test approximately twenty backflow devices located throughout Brooklyn and Queens. Provide two original GEN215B test forms to customer for each tested device, one for customer's file and the other for the customer to submit to the DEP Cross Connection Unit. We recommend customer send these forms via traceable means.

Stipulations:

1. We assume reasonable access to the backflow devices. If they are difficult to reach or test, an additional charge may be incurred, to be priced in-field.
2. Cost is for testing only. If the device fails, the cost to make repairs or replace a failed device will be supplied separately.
3. Customer will supply the list of garden locations and the names and phone numbers of the contact individuals who can provide access to the exact location of the device(s) at each site. We will coordinate a test schedule with the customer.
4. Customer will receive invoices as work progresses. Payment is due within thirty days of the invoice date.
5. Base price for each test will be \$160.00.
6. If the number of backflow devices increases or decreases, the totals given below will be adjusted accordingly.

We Propose hereby to furnish material and labor, complete in accordance with above specifications, for the sum of:

Three thousand two hundred Dollars (\$ 3,200.00)

PAYMENT TO BE MADE AS FOLLOWS:

To be paid as per individual invoices as work progresses - \$160.00 x 20 devices at present.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practice. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders, and will become an extra charge over and above the estimate. In the event of any discrepancies between this and any other controlling document, the specifications and terms cited in this document will take precedent. All agreements contingent upon strikes, accidents, sickness, or delays beyond our control. Owner to carry fire, tornado, and other necessary insurance. Our workers are fully covered by Workers' Compensation Insurance.
